

## Cryin' over you

(Flakne)

          D      G      A  
Now when I'm alone I dream of you  
          D      G      A  
Wonder if you feel the same way too  
          D      G      A  
Love just flew away and all I do  
          D      G      A  
Is cryin' over you

          D      G      A  
Deep inside my heart I know it's true  
          D      G      A  
Only for a while I thought I knew  
          D      G      A  
But love just flew away and all I do  
          D      G      A  
Is cryin' over you –  
          D      G      A  
Cryin' over you

A      G      D  
Now we're like strangers  
Bm  
On through the night  
G  
Run with the wind  
A      G      D  
Wild love's a danger  
Em      G      A  
Over before it begins

---solo-----
